

I have listened and supported K-Love for over 7 years. I have two children 9 & 5 and I can rest assured that when we get in the car or listen at home I do not have to worry about what is being played. The songs are wholesome and the message is encouraging. When my 5 year old sings her heart out to God in the back seat, I thank K-Love. K-Love offers resources for people in need 24 hours a day. Please do not replace our stations with LPFM. We as mothers need a place where there is no need for a 7 second delay!!

Thank-you
